February 2012

The U.S. Environmental Protection Agency (EPA) Region 6 supports communities in the states of Arkansas, Louisiana, New Mexico, Oklahoma, Texas and 66 tribal nations. The purpose of this brochure is to assist community leaders, non-profits and Tribes, in identifying EPA resources that can support community efforts to protect and renew the environment and create a healthier and more sustainable future for their citizens. This brochure can also be used by states, local governments and businesses to reach out to their communities and share information about EPA resources.

**Note:** This brochure may not represent all of EPA's grant programs and resources. For more comprehensive information, visit: [www.epa.gov/region6](http://www.epa.gov/region6)
